YES Resources for Providers and Educators Available

Resources for clinicians to use when working with educators on the Child and Adolescent Needs and Strengths (CANS) or Child and Family Team are now available on the [Provider Resources](#) page of the YES website.

Resources for educators are also available as part of the Clinician Toolkit.

The toolkit includes a guide for clinicians and providers on collaborating with schools and a checklist of the

steps to take in the process. Links to additional resources include a CANS fact sheet for teachers, quick reference cards for the CANS, and CANS worksheets.

Visit the [Provider Resources](#) page on the YES website to access the Collaborating with Educators toolkit.

Questions or feedback? Please let us know using the [Contact Form](#) on the YES website.

Set Up Your Agency in ICANS by June 30 to Use Simplified Process

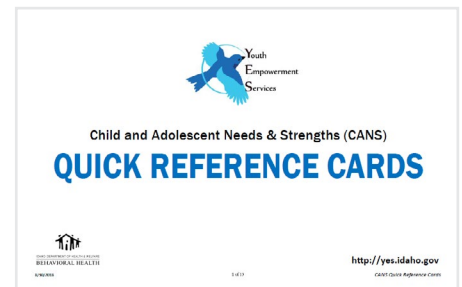

For a limited time, provider agencies can use a simplified process to set up their agency and providers to use ICANS. ICANS is the State of Idaho's secure, electronic, internet-based system to administer and manage CANS (Child and Adolescent Needs and Strengths).

Application paperwork must be signed and sent into the ICANS Help Desk by June 30, 2019 to be eligible for simplified setup.

Step-by-step instructions on the initial set-up process are on the ICANS website, [Resources and User Guide](#).

Note that ICANS training does NOT result in a CANS certification. ICANS users who need to be able to sign off on a CANS assessment must also be certified by the [Praed Foundation](#).

For more information about the ICANS system, training and other resources, please visit the [ICANS website](#).
