*This index includes a list of residential facilities with which IDHW has existing agreements as of 3/25/2022. As noted on the Index, some listed facilities have active agreements with the Division of Medicaid, and some have active agreements with the Division of Behavioral Health. IDHW provides this index of facilities for your information and convenience but does not warrant or guarantee eligibility for residential treatment, availability at any of the listed facilities, or admission of a particular child to any of the listed facilities. Eligibility and admission decisions are made on a case-by-case basis in coordination with the facilities.*
