#	Follow-up Items	Opened	Owner	Status
23	ICAT Recommendation - Standardized Educational Document: ICAT Subcommittee recommendation shared during the IGT Meeting on 12/10/2025. Official IGT Request Form detailing this ICAT recommendation shared with the IGT members on 2/11/2026.	3/30/26	Laura Scuri	3/31/26, In Progress. Per IGT Meeting discussion on 2/11/2026, the IGT needs to determine and agree via consensus on the next steps for this recommendation. Coordination will first occur with member(s) of the IBHP Governance Bureau to attend an upcoming ICAT Subcommittee Meeting to further discuss the details of this recommendation. An update from the ICAT Subcommittee will then be shared with the IGT.
22	FAM Subcommittee - QRT Sub-group: See IGT Meeting notes from August 14, 2024, regarding creation of QRT Sub-group. Additional information from the QRT Sub-group, including the estimated timeframe to gather the survey form data and complete the report, was requested during the IGT Meeting on December 10, 2025.	12/10/25	Kim Hokanson & Brittany Shipley	3/23/26, In Progress. It was shared during the IGT Executive Committee with YES Chairpersons Meeting that the status of the sub-group is on hold. A discussion regarding next steps will be brought to the IGT Executive Committee. 1/21/26, In Progress. Further discussions regarding next steps will take place in February 2026. Additional FAM Subcommittee - QRT Sub-group Meeting with all members will then be scheduled to discuss outcomes and best next steps.

20	Access to Care Discussion Updates IGT - Serious Emotion Disturbance (SED)/Developmental Disabilities (DD) Juvenile Justice (JJ) Meeting Update: Schedule meetings to discuss lack of services and supports leading to incarceration in IDJC/detention to include numbers of youth with SED/DD in detention and IDJC.	8/8/25	Val Johnson	1/21/26, In Progress. The IAP deliverable updates will be included in DHW implementation updates. The DD/SED Juvenile Justice workgroup has been paused to prioritize the IWG's work on Jeff D IAP Objective B.3.e. ii. A formal notice of this pause was sent to stakeholders on December 4, 2025. CMH is currently coordinating a follow-up meeting with stakeholders to ensure these populations (DD/SED youth and SED/complex youth) served in Juvenile Detention Centers and youth served in IDJC custody are accurately represented in the IAP deliverable. While a Doodle poll was provided, CMH is working through persistent scheduling conflicts to ensure this conversation occurs. Stakeholders will be re-engaged through IGT subcommittees once the second phase of the IAP deliverable occurs. The second phase includes developing mitigation plans for engaging the systemically underserved populations identified. There is no definitive timeline for this phase due to resources currently diverted to deliverables agreed upon and prioritized through mediation.
19	Have an offline conversation regarding the potential formation of an ICC/Wraparound subcommittee. Share this decision with the IGT members.	12/11/24	IGT Executive Committee	1/26/26, In Progress. Currently discussed in IWG to determine where the barriers are. Once identified, this will be brought back to the IGT Executive Committee and the IGT regarding a status report and potential recommendation.
1	Get together later to discuss the tribal-specific CANS for tribal members.	10/11/23	Karol Dixon & Juliet Charron Current Owner: Ashley Porter	3/9/26, In Progress. Tribes are aware that they cannot be exempt from the CANS, so we are looking into some culturally competent workarounds and what can be done to support and alleviate concerns around the CANS. Conversations with the Tribes will continue in the coming months. 1/21/26, In Progress. Tribal members cannot be exempt from the CANS per CMS. Ashley Porter and Medicaid are working to move these conversations forward with the tribal members.
